

*Approved Conferences and Professional Development Opportunities for RYI Grantees
January – May 2022*

SEL for Tier II Interventions: Creating the Perfect Circle

Date: Fall 2021 and Spring 2022 dates TBA

Location: Virtual

Website: <https://www.workshops.pa.org/all-workshops/p/sel-for-tier-ii-interventions>

Cost: \$390

Description: Schools and youth programs are stretched thin when it comes to serving students who need extra support. Group work – such as boys’/girls’ groups, lunch bunches, or Tier 2 social support groups – can be a great way to provide targeted SEL services to more of our students. The group process is also a powerful way to help our students develop. In this online workshop, participants will learn strategies to make Tier 2 SEL groups effective. Our methodology can help you design a group for your students’ needs and build your own Perfect Circle.

Building Connections Webinar Series:

https://www.youtube.com/playlist?list=PLM3PYurzmKsBUQqhAW_IS4m_J0IC0nNb5

Building Connections: Social and Emotional Learning + Service Learning

Building Connections: Social and Emotional Learning + Equitable Spaces

Building Connections: Social and Emotional Learning and Young People’s Futures

Butler Neuroscience Symposium

Date: February 19th 2022

Location: Virtual & In-Person

Website: <https://www.butler.edu/coe/educational-neuroscience-symposium>

Cost: The Symposium will be offered in person and virtually via Zoom. Link to come later after registration. The cost for the Symposium is \$125 for both in person and virtual attendance.

Description: This 2022 February 19 Educational Neuroscience Symposium will have a strong focus and delivery on the application of the social, affective, and relational neurosciences that have contributed to the Applied Educational Neuroscience framework and the pillars of Educator Nervous System, Co-regulation, Touch Points, and Teaching our Students, Staff, and our Community about our Neuroanatomy using the language of the sciences. This framework supports and informs adversity and trauma responsive schools, districts, and communities as we explore how our educational, parenting, and community practices, environments, and developing relationships, can lead to post traumatic growth as we embrace the neuroscience of our cultures and embodied experiences carried into our communities, schools, and classrooms. This conference is led by educators who are in schools and classrooms along with community frameworks that have been created and are currently integrating the social and relational neurosciences. supporting a variety of programs, recovery centers, law enforcement, judicial systems, among many other community sectors.

Indiana's 4th Annual Educating the Whole Child Summit: Creating the Conditions for Learning

Date: February 23rd 2022 -- Summit Check-In: 7:00 a.m. - 9:00 a.m., EST, Depart: 4:00 p.m. EST

Location: Indianapolis Marriott East, 7202 East 21st Street, Indianapolis, IN 46219

Website: <https://ismhi.indiana.edu/events/ishmi-whole-child-summit.html>

Cost: Registration is open and cost to attend is \$200 per person. Certificates of Attendance for 6 instructional hours will be available at no charge.

Description: The Summit is designed for educators, and we use that term inclusively for any adult who touches the lives of students within a school district, as well as mental health professionals, human service providers, and anyone who is interested in creating the conditions for learning to educate the whole child. We are so happy to be offering you a day of learning and sharing as we continue our collective journey to educate the whole child in Indiana. Our mission to work alongside you to create the conditions for learning for all children remains unwavering. This year we, along with our Summit sponsor, Project Aware, are excited to welcome you back in person to the Indianapolis Marriott East. We have a terrific day planned for you, including an early morning inspirational youth performance. What a great way to start the day! We are also thrilled to be offering a wide variety of 75-minute breakout sessions, delicious food, a plethora of exhibitors, and an internationally celebrated keynote...author, speaker, and advocate, Mr. Tim Wise.

Webinar: The State of Social and Emotional Learning in 2022

Date: January 28th, 12-1:00pm EST

Location: Virtual

Website: <https://casel.org/events/the-state-of-social-and-emotional-learning-in-2022/>

Cost: Free

Description: CASEL invites you to a conversation with our new president and CEO, Dr. Aaliyah A. Samuel, moderated by Timothy Shriver, CASEL co-founder and board chair. Our schools and students need social and emotional learning now more than ever before. As a seasoned educator and a boundary-spanning policy expert, Dr. Samuel is a visionary leader for social and emotional learning. Hear Dr. Samuel's vision for the future and join the discussion on the state of social and emotional learning, including a live Q&A to answer some of the field's most pressing questions.

Webinar Workshop Series: Learning Together SEL Workshops

Dates: January 25 – February 22nd 2022

- January 25: Establish a shared understanding of SEL
- February 1: Strengthen adult SEL
- February 8: Promote SEL for students
- February 15: Putting it All Together: Implementing Your Plan

**We recommend you attend all four live sessions. Each two-hour session is facilitated live from 12:00 pm – 2:00 pm ET / 11:00 am – 1:00 pm CT / 10:00 am – 12:00 pm MT / 9:00 am – 11:00 am PT. Please double check your time zone before registering!

Location: Virtual

Website: <https://casel.org/events/winter-2022-learning-together-sel-workshops/>

Cost: \$250 per participant, or \$200 per participant if registering a team of 4 or more.

Description: Is this workshop for you? You should join if:

- ✓ You are leading SEL implementation in a PreK-12 **school setting**. Roles may include: school principal, assistant principal, school administrator, school SEL team member.
- ✓ You are leading SEL in a **district setting**. Roles may include: specialist, coach, or coordinator who supports school leaders and teams with implementation.
- ✓ You are interested in leading schoolwide SEL implementation.
- ✓ You are using the CASEL Guide to Schoolwide SEL and seeking additional support.

What will you learn?

You'll gain the necessary expertise to lead an intentional, collaborative process in your school that promotes academic, social, and emotional learning. The strategies will help you engage adults, support students, and create equitable learning environments.
